Delegate Business (Summary)

President Ethan Marshall gave the **Nomination Committee** the power to act on selecting the 2014-2015 State FFA Officer Team.

A motion was made and passed to accept the list of **State FFA Degree recipients**.

Convention Year and Review Committee – The committee averaged the results from both the advisor and student evaluation questions. Out of total points possible per question of 5, the average for all answers was greater than 3 (for both the advisor and student evaluations). The committee suggested that the delegates accept the report as presented. A motion was made and passed to accept the committee's report.

Financial Review Committee – The delegates reviewed the financial records of the Nevada FFA Association from Fiscal Year 2013. The committee suggested that the delegates accept the financial records as presented. A motion was made and passed to accept the committee's report.

Business Committee –

Several changes to the Constitution and By-Laws were proposed by the Nevada FFA Association Executive Committee. A motion was made pertaining to each section. **All MOTIONS PASSED**

CONSTITUTION

The majority of the changes to the constitution pertained to updating language to match current terms and phrases related to FFA, Agricultural Education, and Career and Technical Education. These changes were included within ARTICLE II – PURPOSE OF THE ORGANIZATION; ARTICLE III – ORGANIZATION; ARTICLE IV – PROCEDURE FOR DETERMINING STANDING OF CHARTERED LOCAL CHAPTERS AND MEMBERS; ARTICLE V – MEMBERSHIP; and ARTICLE VI – ACTIVE MEMBERSHIP DEGREES AND PRIVILEGES.

BY-LAWS

Similar edits were made to the by-laws. These updates were made to ARTICLE II; ARTICLE III (updated the current list of chapters & zones); ARTICLE IV; and ARTICLE VI – METHODS OF ISSUING LOCAL CHARTERS.

Some of the edits to ARTICLE IV changed current policy on the state officer selection process (section L). Below is summary of these edits.

Section L, 1. Applications now need to be postmarked on the third Tuesday prior to the beginning of State FFA Convention.

Section L, 3. The Nominating Committee will be overseen by an adult consultant and the committee will be chaired by a former state officer appointed by the executive committee.

Section L, 4. No member may participate on the state nominating committee for more than one year.

Section L, 5. Upon compiling all scores, the adult consultants shall provide the nominating committee with a list of the ten highest scoring candidates for the deliberation process according to total score. Each Nominating Committee member will then vote individually by secret ballot for six candidates who they believe will be best qualified to serve as a state officer. Considering the scores AND individual nominations, the committee will then deliberate and slate six candidates to serve as the next state officer team.

Language that was **CUT** from Section L, 5 and 6;

CUT 5. After the final interview, the Nominating Committee will be informed of the candidates' test scores and will rank the candidates according to total score. The Nominating Committee will then vote by secret ballot for six candidates. The six candidates with the most votes will be the next officer team. These six candidates will be placed in their respective order by the Nomination Committee.

CUT 6. In case of a tie between two candidates placing 7th and 8th, a runoff vote will be taken between these two candidates until one is chosen by a majority.

Section L, 10. The Application and Resume are worth 0 points. The 200 points they once received will then go toward the Interview Rounds. The new points system is Written Test 300 points, Interview Rounds 700 points for a total of 1,000 points.

Proposed National FFA Delegate Issues – No issue was submitted by a Nevada FFA chapter.
